The BLUEDIAMOND® MICROBLUE® utilises the ground-breaking patented GYROK™ technology to offer a small pump but with big features. The MICROBLUE® not only runs silently but can also be mounted in any orientation whilst operating both wet and dry continuously. The pump is dual voltage and covered by the market-leading BLUEDIAMOND® 3 year warranty. The MICROBLUE® is the obvious choice when looking for a compact pump to fit inside or outside an A/C unit.
